 Respondent.)

PETITION FOR DISSOLUTION OF MARRIAGE

NOW COMES the Petitioner, [REDACTED], by and through her attorney
 JENNIFER S. WIESNER, and petitions this Court for dissolution of her marriage and for other
 relief as is hereinafter alleged, and in support thereof states as follows:

1. That the Petitioner, [REDACTED], was born on December 1, 1982, is 34 years of age,
 and is employed as a house cleaner.
2. That the Respondent, [REDACTED], was born on December 28, 1983, is 33 years of age,
 and is employed at LSG Transportation.
3. That there are no Petitions for Dissolution of Marriage known to be pending between
 these parties in any other county or state.
4. That the Petitioner presently resides in the County of Kane and has been residing in the
 State of Illinois for more than ninety (90) days continuous and prior to the date of the

filing of this Petition, thereby satisfying the jurisdictional requirements under present Illinois law.

5. That the Petitioner and Respondent were married on June 21, 2008, in Elgin, Illinois and said marriage is registered in Kane County Illinois.
6. That, as a result of the marriage, two (2) children were born to the parties: namely, M.H., born in 2009, now age 7 and J.H., born in 2012, now age 4; no children were adopted by them.
7. That there exist grounds for a dissolution of marriage of the parties within the meaning and purview of the Illinois Marriage and Dissolution of Marriage Act, Paragraph (2), Section 401, in that the parties have lived separate lives for a continuous period of time, and irreconcilable differences have caused the irretrievable breakdown of the marriage and that all efforts at reconciliation have failed and any future attempts at reconciliation would be impracticable and not in the best interests of the family.
8. That the Petitioner has been the primary caretaker of the minor children and she is the fit and proper person to have the primary allocation of parental responsibilities of the minor children.
9. That the Respondent is an able bodied man, in receipt of substantial income and is well able to contribute toward the expenses of the minor children including, but not by way of limitation, health insurance, and educational expenses and child support pursuant to statutory guidelines to the Petitioner herein.
10. That since the marriage of the parties, the parties have acquired various items of marital property, including but not limited to:
 - a. The real property located at [REDACTED], Elgin, Illinois 60123;

- b. Household furniture, furnishings, appliances and fixtures; and;
- c. Personal effects;

and other evidences of equities and credits, and diverse and sundry miscellaneous other property, the rights of the parties in and to which this Court ought to determine to be marital property within the meaning and intendment of the Illinois Marriage and Dissolution of Marriage Act, and, accordingly, your Petitioner should be awarded her fair, just and equitable share and proportion of the said marital property.

11. That the Petitioner, through her employment as well as through her frugalities and efforts, contributed to the acquisition, preservation and appreciation in value of the marital property, and she should be awarded an equitable share of said property.
12. That the Petitioner acquired non-marital property both prior to and during the marriage, and that she should be awarded said property free and clear of any interest therein by the Respondent.
13. That the Respondent, [REDACTED], is an able bodied man, gainfully employed and able to support himself, and he should be barred from the receipt of maintenance from the Petitioner herein.
14. That the parties acquired various marital debts and liabilities during the course of their marriage and that said debt should be equitably divided between the parties.
15. That the Respondent has sufficient resources and should be required to pay his own attorney's fees and costs.

WHEREFORE, the Petitioner, [REDACTED], by and through her attorney, JENNIFER S. WIESNER, prays for the following relief:

- A. That a Judgment for Dissolution of Marriage be awarded the parties dissolving the bonds of marriage now existing by and between the parties.
- B. That the parties share in the joint allocation of parental responsibilities on a temporary and permanent basis, with Petitioner being named majority parent, subject to shared and liberal parenting time with the Respondent.
- C. That the Respondent be ordered to pay child support to the Petitioner for the benefit of the parties' children pursuant to the statutory guidelines.
- D. That the Petitioner be awarded and assigned all of her non-marital property and her equitable share of the marital property, free and clear of any interest therein by the Respondent.
- E. That the Respondent be barred from the receipt of maintenance from the Petitioner.
- F. That all of the marital debts and personal property be equitably divided between the parties.
- G. That the marital estate be equitably divided between the parties.
- H. For such other and further relief as this Court in equity deems just.
